Re: Application of Wood Creek Water District for approval of a proposed increase in rates
for water service
Case No. 2011-00209

Dear Director Derouen:

The purpose of this letter is to notify you that the Wood Creek Water District has no objection to the staff report findings on the Wood Creek Water District filed in this case on October 10, 2011. The Wood Creek Water District further states that it waives its rights to make any objections to the findings and recommendations of the Commission's Staff Report and does not wish to submit any additional evidence for the Commission's consideration. Wood Creek Water District further states that this matter may be submitted for a decision based upon the existing record and without a hearing and the Wood Creek Water District waives its right to the hearing. The Wood Creek Water District specifically requests that this matter be submitted for a decision upon the existing record.

If you have any questions regarding this matter, please contact me at your convenience.

Very truly yours,

Larry G. Bryson
